An Invitation from Presiding Bishop Michael B. Curry To Practice the Way of Love*

*I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God. — **Ephesians 3:17-19***

In the first century Jesus of Nazareth inspired a movement. A community of people whose lives were centered on Jesus Christ and committed to living the way of God's unconditional, unselfish, sacrificial, and redemptive love. Before they were called "church" or "Christian," this Jesus Movement was simply called "the way."

Today I believe our vocation is to live as the Episcopal branch of the Jesus Movement. But how can we together grow more deeply with Jesus Christ at the center of our lives, so we can bear witness to his way of love in and for the world?

The deep roots of our Christian tradition may offer just such a path. For centuries, monastic communities have shaped their lives around rhythms and disciplines for following Jesus together. Such a pattern is known as a "Rule of Life." The framework you now hold - **The Way of Love: Practices for Jesus-Centered Life** — outlines a Rule for the Episcopal branch of the Jesus Movement.

It is designed to be spare and spacious, so that individuals, ministry groups, congregations, and networks can flesh it out in unique ways and build a church-wide treasure trove of stories and resources. There is no specific order you need to follow. If you already keep a Rule or spiritual disciplines, you might reflect and discover how that path intersects with this one. By entering into reflection, discernment and commitment around the practices of **Turn – Learn – Pray – Worship – Bless – Go – Rest**, I pray we will grow as communities following the loving, liberating, life-giving way of Jesus. His way has the power to change each of our lives and to change this world.

Your brother in the Way of Jesus,

The Most Reverend Michael B. Curry,

Primate and Presiding Bishop of the Episcopal Church

Bishop Haynes to Begin Authorizing Churches to Re-gather for Worship

Diocesan eNews - June 16, 2020

Most recently, "the medical/legal subgroup of the Advisory Panel for Re-Gathering for Worship in the Diocese of Southern Virginia advised Bishop Haynes that according to the Virginia Department of Health, the data now supports a 14-day decline in new COVID-19 cases, hospitalizations, deaths, and percent positivity. Bishop Haynes, therefore, is now ready to sign re-gathering applications that would authorize worship according to Phase 1 guidelines. In doing so, churches are reminded to submit their applications to the Diocesan office and that re-gathering for worship is dependent on the clergy's and vestry's readiness to proceed with worship. Episcopalians in Southern Virginia are also advised to attend worship only if they feel they can do so safely.

May God continue to bless us as the Church in a time when the world needs us to be the Church."

The Rev. M. Sue Reid

St. Cyprian's Episcopal Church welcomed The Rev. M. Sue Reid as one of its supply priest, while Fr. Ramsey was on sabbatical. She served as the officiant and preacher at the church from May 31 – June 28, 2020.

Reverend Margaret Sue Reid is a graduate of Union Theological Seminary in New York City (Master of Sacred Music) and Virginia Theological Seminary (Master of Divinity). Before coming to St. Cyprian's, she served in many capacities in the Diocese of Southern Virginia, including Liaison for the Diaconate and Chaplain for two Deacons Schools. Reverend Reid has been a rector of two parishes and Canon to the Ordinary for Education and Spiritual Development in the Diocese of Indianapolis.

She is presently a resident of Williamsburg, Virginia. Sue is married to Jon Strandberg. They have no children but share their home with two black cats and a border collie/Labrador mix rescue dog. During an interview, Reverend Reid responded to the questions below.

How long have you been in the ministry?
"I was ordained a deacon at the Cathedral in Louisville, Kentucky in June 1976. Women couldn't yet be legally ordained priest in the Episcopal Church. Permission to change the Canons of the Episcopal Church came three months later in September at the General Convention in Minneapolis and regular/legal ordinations of women began on January 1, 1977.

In June of 1977, I was priested in Owensboro, Kentucky. I served in Owensboro for about a year and a half; then as an interim in Louisville, Kentucky for another year and a half. Next, I was an associate at St. Stephen's on the campus of Ohio State and later a rector of a parish on the east side of Columbus before moving to Indianapolis. We moved again to Seattle, Washington before relocating to Williamsburg, Virginia."

Where did you start out?
"After high school in Louisville, I attended DePauw University in Greencastle, Indiana as an Applied Organ major and then went onto Union Seminary in New York City. First, I received a degree in Sacred Music and went on to work towards a master of divinity. I worked for a year in Louisville as a house parent at a state institution for "pre-delinquent" teens before finishing my Master of Divinity degree at Virginia Seminary in Alexandria, Virginia."

What (favorite things) do you look for in a parish?
"People who show they really care about each other and at the same time are willing to welcome in newcomers. I love to sing, and I value congregations that share their faith in music."

What has been your most rewarding or enjoyable part of the ministry?
"Sharing key moments in people's lives from birth to death, marriages, and illnesses is both an honor and a gift."

Hobbies?
"Cooking; walks in the Historic Triangle; travel; learning the history of where I live; and serving as a guide at Bruton Parish Church and the Art Museums of Colonial Williamsburg (especially the Abby Aldrich Rockefeller Folk Art Museum)"

What do you think is the greatest challenge facing the Episcopal Church during this COVID-19 pandemic?
"Reminding ourselves that the Church is alive and well even though we're physically apart as congregations… Too often we're so attached to our buildings that we lose sight of Paul's imagery of the Body of Christ that lives whether or not we're in a building."

IOC JOINS FORCES WITH WHO AND THE UNITED NATIONS TO FIGHT COVID-19*

*https://www.who.int/news-room/detail/23-06-2020-ioc-joins-forces-with-who-and-the-united-nations-to-fight-covid-19

Athletes Share Messages to Keep Us #HEALTHYTogether

The International Olympic Committee (IOC) and WHO (World Health Organization) launched a partnership with the United Nations to encourage individuals and communities around the world to be **#HEALTHYTogether**. The three partners and Olympic athletes will spotlight the global collaboration needed to stay healthy and reduce the spread and impact of COVID -19.

Olympic athletes will help deliver important public health information, to inspire people to adopt or continue behaviors that will curtail the pandemic more provide information that promotes physical and mental health. The partnership kicked off June 23, 2020 with Olympians around the world showcasing various exercises to stay healthy during this time.

A WHO survey showed that many people who had severe COVID-19 disease were already living with or at risk for non-communicable diseases (NCDs). The results emphasize the importance of maintaining a healthy lifestyle including being physically active, having a healthy diet, and avoiding tobacco and alcohol.

"We are pleased to partner with the International Olympic Committee to spread important health messages that will save lives. Olympians will help us advocate for healthier populations to ensure that people are as resilient as our health systems must be to fight COVID-19,"said Dr.Tedros Adhanom, Ghebreyeus, Director General, WHO.

Over the past six months, the COVID-19 pandemic has impacted every corner of the globe and every aspect of people's lives. The world is looking for global institutions to work together and for leaders to deliver reliable, credible information from sources they trust. Olympic athletes are symbols of strength that can act as trusted messengers for this information.

IOC President Thomas Bach said, "Sport can save lives. We have seen over the last few months just how important sport and physical activity are for health and well-being. And working together with the WHO and the United Nations we can take another step together. We will ask our Olympic athletes to help share the information and best practice that the world needs now."

Antonio Guterres, Secretary-General of the United Nations, added "During this time of unprecedented challenges and change – from the COVID-19 pandemic to the ongoing struggle for racial and social justice, to the climate crisis – there has never been a greater need for global solidarity and hope. The Olympic movement and its athletes have always brought out the best in humanity, and the United Nations is pleased to work with the International Olympic Committee and the World Health Organization in calling on people everywhere to unite and be **#HEALTHYTogether**."

The global partnership will act locally, through the voices of Olympic athletes – voices that symbolize perseverance, dedication and endurance – qualities all individuals need during this public health challenges. Using digital platforms, WHO will work with athletes to bring tailored health messages to people who are living through various stages of the pandemic.

As COVID-19 forces changes to our daily routines and lives – from how we interact with others to how we move and exercise – we need to pay attention to our own mental and physical health and help others who may need extra support. By working together, the aim of the partnership on Olympic Day and every day is to stay Healthy Together.

NEXT VESTRY MEETING

Our next Vestry meeting will be held on **Tuesday, July 14, 2020**. Please continue to share your comments, questions, observations, and suggestions with members of the Vestry. We thank the Vestry for their hard work on behalf of the congregation at St. Cyprian's.

PHONE MINISTRY-STAYING IN TOUCH

Jesus told Peter, "Feed my sheep!" There are lots of ways we can "feed" one another, but one of the best ways is through conversation. Since we can't "be" together for worship services or for Coffee Hour, the Vestry has helped us stay connected and perhaps even helped us get to know each other better.

If you are an active parishioner at St. Cyprian's, you should have gotten at least one call from a vestry member during the month...and perhaps more than one. Each vestry person has a list of people to contact, especially if we have a special event coming up, or a cancellation of a planned program, for any reason. The Vestry Calling List was originally set-up to notify parishioners regarding inclement weather scenarios or emergency type issues.

The intent now is for us to reconnect with each other and catch-up just like we're accustomed to doing after church. We want members to know that we are here for you and that you are indeed in our thoughts and prayers. We also hope that our church members feel they are kept well-informed through the announcements in the Sunday bulletin as well as the monthly newsletter. ~ ***The Senior Warden, Stephanie Kendall***

KIDS PROGRAMING IN THE SUMMER

We're taking a break from the 9:30 a.m. and 10:30 a.m. Sunday School during the summer. Information regarding the fall Sunday School schedule will be announced at a later date.

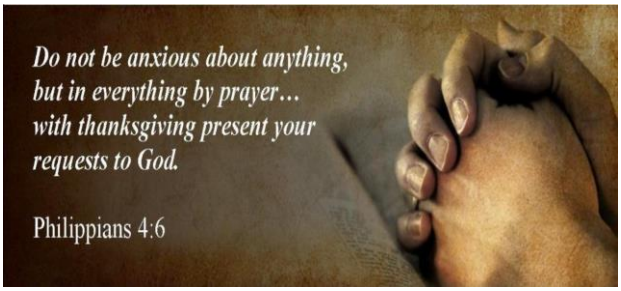
LOOKING AHEAD!

The Vestry will be soon appointing the Health and Safety Officer. This individual will work with the Vestry and Rector to oversee our compliance with health and safety guidelines as we prepare for re-gathering for public worship. More information forthcoming.

Learn. Pray. Act.

PRAYER REQUEST/PASTORAL CARE

During this time of "social distancing," we invite you to please send an e-mail to the Parish Administrator with your prayer request. We will forward this information to the Senior Warden for pastoral care.

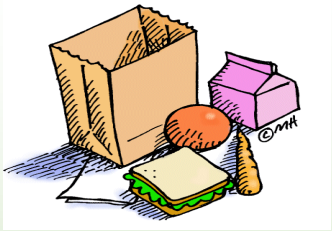


CERTIFICATE OF LAY DELEGATES AND ALTERNATE

This year's elected delegates are ***Jean H. Carnegie*** and ***Renee Escoffery-Torres***. Mark Farquharson will serve as the alternate delegate. Elected delegates and alternate will serve for an entire conciliar year beginning July 1, 2020 and ending June 30, 2021. This term includes eligibility to vote at any Pre-Council Convocation meetings in January, Annual Council in February, and any other Special Council or other called meetings that may occur during this period.

Please consider donating "Altar Flowers" in memory of or thanksgiving for a loved one, or to commemorate a life event. St. Cyprian's receives flower arrangements each week from a local florist and gives parishioners the opportunity to take on the cost in exchange for a memoriam. After the Sunday service, these flowers may then be delivered to people on the church's prayer list.

Parishioners are asked to cover altar flowers for any Sunday throughout the year. An individual or two families may share the cost. To donate flowers, please contact Eleanor Pritchett (epritchett@cox.net) or Fannie Walls (fjwalls@verizon.net). Make check payable to St. Cyprian's Episcopal Church and mail it to the church or drop it off at the Parish Office. Thank you for your generosity in supporting this ministry. ~ ***Eleanor Pritchett***



BAG LUNCHES-LANGLEY VILLAGE

St. Cyprian's has been asked to resume its support of bag lunches for the seniors at Langley Village. Every fifth Saturday, ECW's H.E.L.P. Committee prepares lunches to be delivered to Langley Village. We are scheduled to donate lunches to the seniors on **August 29, 2020** and **October 31, 2020**. Please contact Eleanor Pritchett if you are interested in supporting this ministry. ~ ***Eleanor Pritchett***

The Men's Club is continuing its clothing drive to assist prisoners in local detention. Both women's and men's clothing are still being collected for donation to the Hampton roads Community Action Program (HRCAP) in the lower east end of Newport News. Please help us with this ministry. You may drop off your clothing collection at St. Cyprian's and put them in the boxes under the hallway coat rack. For more information, please contact Henry Russell. ~ ***Henry Russell***
